AACC Southeast Section

Fall Symposium

“Quality and Emerging Practices in Clinical Chemistry”

Château Élan

Braselton, Georgia

<http://www.chateauelan.com/>

Plenary Speaker:

2010 AACC President: Catherine A. Hammett-Stabler, PhD, DABCC, FACB

Other speakers include:

Mary M. Kimberly, PhD, Centers for Disease Control

Corinne R. Fantz, PhD, Emory University

Curtis A. Parvin, PhD, Bio-Rad Laboratories

Carole A. Spencer, MT, PhD, FACB, USC

**A conference for Clinical Chemists,
Clinical Laboratory professionals,
educators, students and managers.**

**Don't miss this opportunity to learn
about the latest in QC and the clinical
chemistry laboratory with an excellent
line up of speakers .**

**There will also be time to network with
colleagues while relaxing at the spa,
wine tasting, cooking or playing golf.**
