Dear Point of Care Testing Professional,

We are looking for members interested in serving on the AACC POCT Professional Certification Board (CPP). The board is open to professionals that have or have not taken the CPP, but if you have taken the CPP exam and have become a Certified Point-of-Care Professional what better way to help your fellow professionals than joining the board! We are taking applications until July 18th for POCT experts to serve in the positions below. The terms are based on the position but believe me that time flies. Looking forward to working with you!

Application deadline is Monday, July 18th. [Submit interest online.](#)
