This conference will be held at the [Houston Marriott Medical Center](#), 6580 Fannin St, Houston, TX

TriMark Conferences

About TriMark TriMark Point of Care Testing Conferences are organized to provide a critical examination of the POC industry, as well as valuable insights from industry leaders concerning new POC technologies and the effect on laboratory practice. This conference will also provide a forum for leaders in the POC industry, laboratory directors, POC coordinators, and technologists/practitioners to share ideas, network with other attendees, and advance their understanding of the impact that POC has on the delivery of medical care.
