Final Session

Manager's Roundtable Discussion

Back by popular demand!

A panel of your colleagues leads an interactive discussion on the hot topics of the day!

What issues are on your mind?

Email your topics/questions prior to the event to john.kleinhample@stclair.org and we'll try to include them in the discussion.

Audience participation is encouraged!

If traveling to the event, several hotel options are available within minutes of the RLA venue and can be found by exploring "hotels zip code 16066" on any search engine.

See any board member at today's event to learn more about CLMA membership!

Thank you for attending!
